

## Spring Fellowship

On the weekend of the 14<sup>th</sup> we had our annual lodge Spring Fellowship. It was a great success. We had 17 brothers become Brotherhood members on Saturday night. Several service projects were done, including the destruction of the Quartermaster shed and ceremony circle renovations. Sahkanaga chapter won the spirit award for their theme of high school students at a football game.

## AIA Meetings

John Flint, our VCAIA has been and will be having American Indian Affairs meetings in preparation for Dixie. They will be most weekends up until Dixie. For more information about getting involved in AIA, email John Flint.

## Dixie Prep

Southern Region Section 5's annual Dixie conclave is going to be at Camp Coker this year, from April 25-27. The Lodge has been doing a lot to get ready. The AIA teams have been and are still working on their competitions for Dixie.

If you aren't planning on doing any competitions you can still prepare for Dixie though. Spirit is a huge part of it and we need everyone's help. Our theme is superheroes. This includes made-up superheroes as long as it is scouting appropriate. Go ahead and start getting your stuff and ideas prepared for it!
